BELLEVUE 2044
COMPREHENSIVE PLAN

Building A Livable City for All

What will Bellevue look like in the future?

The city is updating the Comprehensive Plan to make sure that people who live, work, and play in Bellevue...

Can find housing that meets their needs at a variety of affordability levels.

Enjoy parks and green space and recreation opportunities.

Have access to jobs and economic opportunity.

Are able to get around using all kinds of transportation options.

And so much more!

Bellevue plans for people and that means we need to hear from you.

Join city staff at an upcoming Bellevue 2044 Community Deep Dive to learn about the plan and share your ideas. Upcoming topics include:

Wednesday, Aug. 24 - Access & Mobility: How can we ensure people can get to work, shops, and school easily and safely?

Thursday, Sept. 15 - Housing: How can we provide housing that meets the needs of people at all stages of life and income levels?

**All events take place at Bellevue City Hall
450 110th Avenue NE**

Anyone who cares about the future of Bellevue is welcome to attend. Light refreshments will be available.
