

Hello Somerset Neighbor!

We hope you are remaining healthy and safe during the ongoing COVID-19 pandemic. For those of you in the high-risk category and remaining at home we want you to know there are volunteers who can help you with grocery delivery, prescription pickup or other non-emergency but time-sensitive tasks that would otherwise require leaving your home to complete.

If you have internet service, please go to www.somerset98006.org to find out more.

If you do not have internet service or want to talk to someone about getting assistance or find out more about the current local situation, please don't hesitate to call your neighbor listed below who will connect you with people that can help.

Reminder: Always Dial 911 for Emergencies

The Somerset Community Association wants you to know we will do what we can to remain connected and supportive to all our neighbors during this difficult time.
